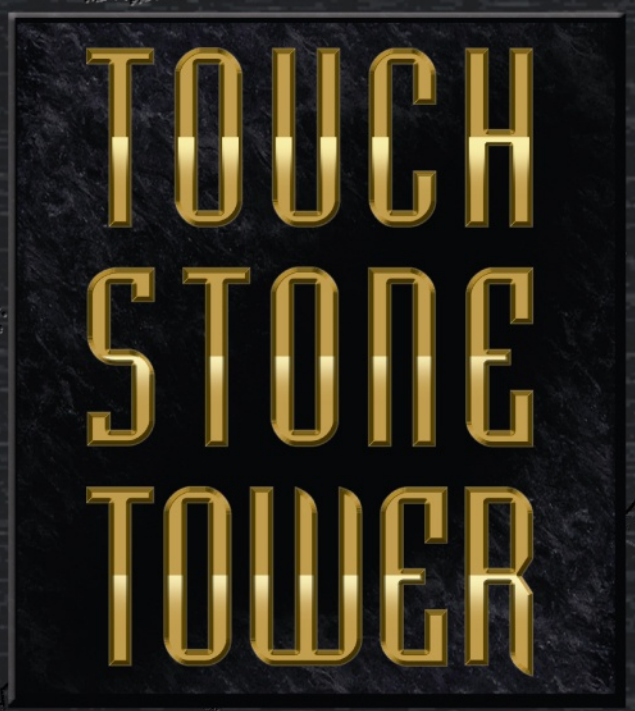
When your business acumen is touched by this stone...

...the result has to be written in gold



The complete business address

New corporate addresses are coming up everyday against the Kolkata skyline. But even among the plethora of such offices, TOUCHSTONE TOWER is a business address that stands head and shoulders above the rest for its location as well as architecture. The G + 10 floors edifice is a fitting tribute to the corporate moghuls, accustomed to the best - in life and in business.

Setting Standards

TOUCHSTONE TOWER embodies design innovation with a striving for excellence in quality and craftsmanship. Situated directly in Sector V, Salt Lake, Kolkata it combines the convenience of a modern business location with the advantages of plethora of futuristic amenities a touch away. The complex is designed in a way that one can utilize the maximum floor area, with only one column in work area, the service area including pantry, toilets are separate (not blocking or inside the work area).

TOUCHSTONE TOWER up close

- The building offers over 38000 sq ft of workspace
- Ample space for parking at the basement and ground floor
- The building is designed by renowned architect Mishra & Mishra.
- Large efficient floor plates for optimal space utilization.
- Double automatic steel lift with LCD display
- Lobby area on each floor
- Lanscaped terrace garden to feel the air of freshness
- Roof-top cafeteria and conference hall
- Full Fire Fighting equipments and sprinklers

Keeping your body and soul healthy It is important that one has time to relax and take of the body and mind in the midst of all the hard work and tensions, so as enhance productivity. Keeping this in mind TOUCH STONE TOWER has a modern gym as well as a well appointed steam bath. So, your top executives may never lose their focus and go for toning their nerves whenever there is a need.
